SIGNATURE GOLF COURSE

2021 Memberships & Passes

# Welcome

Thank you for your interest in The Rise Golf Course and our membership program. I invite you to read through this document in it's entirety and don't hesitate to reach out to myself personally if you have any additional questions.

These are exciting times for The Rise Golf Course as ownership has one goal; to make The Rise the premier Okanagan Lifestyle experience. This not only includes the famed Freddy Couples designed golf course, but our forthcoming multi-use facility and restaurant with 180° views of the City of Vernon and Okanagan Lake.

We have an obsessive nature about progress. You'll see this in the small details and improvements to the facility on a yearly basis including our small F&B operation - Freddy's Patio, shuttle service, 2 new on-course washrooms, our new 4 stall warm-up nets and the constant unseen improvements to the golf course itself. Not to mention the merchandise offerings in our Pro Shop, new golf and social events, and the commitment to consistent service from our staff. All in the effort to bring you the most enjoyment to your recreational time spent at the course and increased value for your dollar.

The next few years are going to be filled with fun and excitement and I invite you along for the ride.

Again, if you have any additional questions or wish to join the club, please contact myself at any time.

Regards,

Chad Scott

# The Golf Course

## *Fred Couples* | SIGNATURE GOLF COURSE

Designed by the world-renowned

player/architect team of Fred Couples and Gene Bates, The Rise is a spectacular championship course in Vernon, BC—it's your perfect escape from the day-to-day. 1,000 feet above Okanagan Lake, with its dynamic layout, generous landing areas,

and five sets of tees at every hole, this course proudly accommodates golfers of all abilities. Each hole has its own unique character, and 12 of them showcase incredible views of Okanagan Lake below. Rise above it all—come play at the top of the world and celebrate the best of the Okanagan lifestyle.

### Signature Hole #15

Our signature hole challenges players of all levels with a slight downhill left to right dogleg with a second shot requiring a carry over water to an angled green. This is then followed by a par three that can measure to 185 yards. It requires a full carry over water to a narrow angular green. Walking away with two pars will surely be a good score. This challenge can be found at holes 15 and 16.

# Golf Course Access is our First Priority

All of our golf programs described in this brochure are limited in quantities available - in particular our **Signature Club Unlimited** shown on the next page. Is not more members a good thing?

One word - Access. Our management has decades worth of experience in the Golf Industry including Private, Semi-Private and Resort environments and have lived and learned what works, what doesn't and what all clubs wish they could do. The balancing act of managing the expectations of members compared to the public is a challenge on the best of days and one that is further complicated when the membership is over subscribed.

Over subscribed memberships lead to strict tee time booking procedures, lottery ballots, complicated point systems, restrictions on guests, making you get up at 5am just to book a golf time and worst - not being able to play at all on some days. We don't believe in that. We believe that as a member, you should be able to play when you want (within reason) and with the simplest procedure possible.

With limited quantities in our Unlimited Categories everyone benefits from:

- **28 day advanced booking (14 for Intermediates)**
- **No lottery or ballots**
- **No blackout dates**
- **No restrictions on the number of rounds**
- **No guest restrictions**

Few, if any, Okanagan courses can boast the same amount of access or ease of booking tee times than The Rise. This philosophy and structure not only allows greater access to members, but is advantageous to Public golfers who wish to experience the stunning beauty and challenge that The Rise provides.

Please review the rate structure on the next page and the application procedure below. If you wish to discuss further or desire an application form, please contact:
